Bellagio Marble Ideas Granite Fifteen Year Material Warranty

Warranty Terms & Conditions

A 15 year performance warranty is offered stating that the treated surface will remain water and stain resistant to common non-acidic household liquids when compared to an untreated surface 15 year period. The warranty is offered only when applied by a Dry-Treat Accredited Applicator according to Dry-Treat's application instructions and guidelines, and the surface is maintained regularly using the Recommended Maintenance System (see below). The Warranty does not apply if the product is misused, the surface is not maintained in accordance with the Recommended Maintenance System, the use of surface is inappropriate or the surface is exposed to unusual/excessive environmental conditions.

Recommended maintenance system

Mop up any spills immediately. Regularly clean the surface using HANAFINN Rejuvenata or other non-acidic cleaner suitable for the surface.

Conditions applying to all claims on all Dry-Treat warrantied products:

Surfaces must have been properly maintained according to the

Recommended Maintenance System.

Claims shall be made in writing. Notification must be immediate when possible and made within one month at the latest.

In event of a dispute regarding the cause of any damage, the dispute must be heard by a neutral third party, approved by both parties. The parties shall endeavour to reach agreement on the handling of the claim on the basis of the expert opinion. Costs incurred will be paid by the part held responsible for the damage.

If mutual agreement cannot be reached within six months, either party may commence legal action.

For customers, in the United Kingdom, this warranty shall be governed by and interpreted in accordance with the laws of England and Wales.

Surfaces in saltwater environments deteriorate faster, even if they are sealed, especially softer highly porous materials, including many types of sandstone, limestone, travertine, and some man-made surface materials. For surfaces in saltwater environments, Dry-Treat can only warrant that the surface will remain looking better for longer than an unsealed surface.

Dry-Treat expressly disclaims any liability for incidental or consequential damage arising through the use of the product. Except as expressly provided herein, there are no other warranties, express or implied, including any warranty or of fitness for particular purpose.
